

# Tikkun Olam Bingo

## DIRECTIONS:

- To play **Tikkun Olam Bingo**, first pass out one bingo game board sheet and (9) markers to each player.
- Shuffle the drawing cards and place them in a pile, facedown.
- Draw one card at a time.
- Show the card to the players. Ask them how the card is an example of tikkun olam. *How does the example in the card help repair or fix the world?* For all of the cards, you can ask the children what are some ways they can perform this mitzvah. For example, with the card “Help Someone Who is Sick,” they might say to bring them food, make them soup, make them a get well card, go grocery shopping for them, take them to the doctor.
- If a player has the same picture on their bingo card, they place a marker on the corresponding card on their game board.
- The first player to have three markers/corresponding cards in a row wins the bingo game.
