

Tu B'Shevat Parsley in a Pot

It's Tu B'Shevat!
It's Tu B'Shevat!
It's time to celebrate the trees

Happy birthday,
A good new year
To all the trees
Far and near

In this little cup (yes, just put it right in the ground!)
You'll find smaller seeds:
Water, sun, love and care
Will help them grow into the strongest parsley they can be!

On Passover you can use it
And think back to this day
When we learned all about the good trees do
And how we should be kind to them so they stay!
