INTRODUCTION

Thank you for your purchase! These tracing prompt cards are a wonderful way to engage your child in Jewish learning, as well as introducing and practicing vocabulary, matching, reading and learning about Jewish concepts.

These tracing prompt cards all connect to Israel's Dead Sea.

HOW TO USE

These tracing prompt cards are designed to be used with a salt tray. The child can look at the card and practice creating the letters and words that are found on the cards on a salt tray.

Once printed, cut out the cards. You can use the cards immediately or laminate them.

If you want to use these as a matching or memory game as well, print out two copies, then cut all the cards out. Ask your child to match the matching cards. You could also use these cards in a memory game. Flip the cards with images face down and choose two at a time trying to match the cards.

ENJOY!
